

The ideal fit for small spaces and big projects.

The Xerox 6204 Wide Format Solution is fast, easy to use, and cost-effective, offering your business big productivity in a small footprint that saves space and fits virtually anywhere. With a choice of the Embedded Controller or the FreeFlow® Accxes Controller and multiple configurations, the 6204 provides a flexible, scalable design that can grow with your needs.

Printer only

Digital Copier/Printer

- Speed: 4 A1-sized prints per minute, upgradeable to 5 A1
- Small footprint
- Unparalleled image quality
- Rugged, go-anywhere design
- Affordable
- Available with the FreeFlow Accxes Controller or the Embedded Controller

- All the advantages and features of the Printer plus:
- A wide range of copying and printing capabilities
 - Intuitive menus and easy-to-use interface
 - Embedded or bustled controller – no need for a second footprint
 - Available with the FreeFlow Accxes Controller or the Embedded Controller

Digital Copier/Printer with Scan-to-Net

- All the advantages and features of the Digital Copier/Printer plus:
- Scan documents to a variety of file formats – TIFF, PDF, and CALS Type 1
 - 600 dpi resolution
 - Single footprint
 - Intuitive document retrieval tools
 - Available with the FreeFlow Accxes Controller or the Embedded Controller

Digital Copier/Printer with the Wide Format Scan System

- All the advantages and features of the Digital Copier/Printer with Scan-to-Net plus:
- 36-inch colour scanner
 - Scan and store full-colour documents (optional)
 - Scans documents up to 13mm thick
 - Field upgradable from Printer Only version
 - Available with the FreeFlow Accxes Controller only

Xerox® 6204 Wide Format Solution Specifications

| Print Engine | | Xerox Wide Format Scan System | | FreeFlow® Accxes® Controller | |
|------------------------------------|---|-------------------------------|--|--|---|
| Process/Imaging | Xerographic LED | Scanner speed | 2 ips (standard) 4 ips (optional) 7.3 ips (optional for Scan-to-Net only) | Internal | Bustled Controller |
| Print Engine Speed | 2.36 ips/60 mm/s | Scanner Resolution | up to 600dpi | Memory | 1 GB |
| Prints/Minute | 4 A1 ppm 5 A1 ppm (optional) | Greyscale | 256 | Hard Disk Drive | 80 GB |
| First Print Out Time (FPOT) | | Colour (optional) | 24-bit colour | Ports | Ethernet 10/100/1000 BaseT (auto sensing) |
| Embedded controller | 25 sec. (A1) | Max. Doc. Input Size | 1060mm x 25m (input size) 914mm x 25m (image area) | Network Protocols | TCP/IP, lpr |
| FreeFlow Accxes Controller | 25 sec. (A1) | Max. Doc. Thickness | 13mm | Data Formats | Standard: HP-GL, HP-GL2, HP-RTL, C4, FileNET, Calcomp 906/907/951/PCI, TIFF 6.0, NIRS, VCGL, CALS 1 and 2, CCITT (G4, G3 1D, G3 2D, Packbits, RLE, Seed Row and Adaptive), CGM (Level 1 with ATA ext.), Versatec Data Standards (VRF, Ordered vector, blocked raster, compacted raster) Optional: Adobe Postscript 3 and Adobe PDF (v1.6), DWF (v6) |
| First Copy Out Time (FCOT) | | Registration | Centre | Job Accounting | Optional Scan/Copy and Print Accounting |
| Embedded Controller | 25 sec. (A1) | Electronic Collation | 999 | Image Overwrite | Erases data for added security |
| FreeFlow Accxes Controller | 25 sec. (A1) | Reduction/Enlargement | 25-400% in 0.1% increments | Applications | Document Submit, Document Retrieve, Printer Manager, Print Queue, Web Printer Management Tool, Account Management Tool |
| Max. Copies | | Scan-to-Net | Optional | Printer Drivers | Windows: XP, 2000, 2003 Server, XP x64 and Server 2003 x64 |
| Basic Server | 99 | Scan-to-Net Formats | PDF, CALS, and TIFF (Line or Greyscale only) | (Windows GDI) Printer Drivers | AutoCAD 2002, 2004, 2005, (AutoCAD HDI) 2006, and 2007 |
| FreeFlow Accxes Server | 999 | Options include: | Compact Catch Tray Flat Stacker (up to 100 originals) Scan-to-print (optional) | Printer Drivers (opt.) | Adobe Postscript 3 for Windows XP/2000, Server 2003, XP x64, and Server 2003 x64 |
| Warm-up Time | 2.75 min. | | | | |
| Media Supply | 1 roll (standard) 2nd roll (optional) Single Cut-Sheet Inserter (standard) | | | | |
| Output Size | Min: 297 mm width Max: 914.4 mm width | | | | |
| Long Plot Max. Resolution | 15m 600 dpi | | | | |
| Greyscale Levels | 256 | | | | |
| Media | | Finishing | | Electrical Requirements | |
| Media Types | Paper, Vellum, Tracing Paper, Film | Output Stacker | Front-Exit Stacker | Europe/South America | 220-240V, 10amp |
| Media Weights | Paper: 60-110 g/m ² Vellum: 90-112 g/m ² Tracing Paper: 90-112 g/m ² Film: 75-100 micron (4 mil.) | Output Stacker Cap. | 20 A1 | Dimensions and Weight | |
| Scanner | | Embedded Controller | | Width, Depth, Height, Weight | |
| Scanner Speed | 3.0 ips/76.2 mm/s | Internal | Embedded Controller | 6204 Printer w/ Basic Print Server | |
| Scanner Resolution | 600 dpi | Memory | 1.25 GB RAM | 1310 mm, 560 mm, 1090 mm, 235 kg | |
| Greyscale | 256 | Hard Disk Drive | 40 GB | 6204 Printer w/ FreeFlow Accxes Print Server | |
| Max. Doc. Input Size | 965 x 15m (input size) | Ports | Ethernet 10/100 BaseT | 1425 mm, 560 mm, 1090 mm, 243 kg | |
| Max. Doc. Image Size | 914.4 mm width (image area) | Network Protocols | TCP/IP, LPR, FTP, SNMP | 6204 Printer/Copier w/ Basic Print Server | |
| Max. Doc. Thickness | 3.2 mm | Data Formats | HPGL, HPGL/2, HP-RTL, TIFF 6.0, VRF, VCGL, CALS Type 1 (standard), Adobe® PostScript®/PDF v.1.3 (optional) | 1310 mm, 560 mm, 1090 mm, 243 kg | |
| Electronic Collation | | Job Accounting | Job log – print only | 6204 Printer/Copier w/ FreeFlow Accxes Print Server | |
| Embedded Controller | 99 sets | Applications | BT-Plot Assistant, Wide Format Scan Service, Network TWAIN Driver, Web Administrator | 1425 mm, 560 mm, 1090 mm, 243 kg | |
| FreeFlow Accxes Controller | 999 sets | Printer Drivers (Windows GDI) | Windows®: XP/2000 | Xerox Wide Format Scan System | |
| Reduction/Enlargement | 25-400% in 0.1% increments | Printer Drivers (AutoCAD HDI) | AutoCAD 2002, 2004, 2005, 2006 | 1346 mm, 406 mm, 1143 mm | |
| Scan-to-Net | Optional | Printer Drivers (opt.) | Adobe® PostScript® 3™ | | |
| Scanner Catch Tray | Optional | | | | |
| Scan-to-Net Formats | | | | | |
| Embedded Controller | TIFF (Single and Multi-page), PDF (Single and Multi-page), CALS Type 1 | | | | |
| FreeFlow Accxes Controller | TIFF (Single page), PDF (Single page), CALS Type 1 | | | | |
